Melissa's Mini-notes January 2010

Hello! Did you have a good Christmas and a Happy New Year Celebration? All of us at our residence did!

Well, it's another new year and great things are possible! Do you have any ideas or special requests like a workshop or new project to share? Bring it to our next meeting January 14, 2010.

I am sorry that many of you missed the Christmas dinner, we had a fabulous time. Eva and Darlene with their helpers did a fantastic job! We had little pockets that our silverware came in that we got to take home. Several drawings were done for the table decorations which contained fat quarters and chocolate. Who could ask for anything more?! All the ladies that attended had a good time and there was plenty to eat. Even with the weather as cold as it was, the trip was well worth it! Thanks to the holiday party committee for all their hard work.

January's mini will be provided by Christine S. Our Program is 'Tools or Techniques', remember to bring in your new ideas and be prepared to demonstrate it. January's refreshments will be provided by Mary H. & Susan H. I do hope that you will be able to make it.

Let's make this a banner year for Country Roads Quilt Guild!
