Four mature women on their way to a guild meeting - the e driver looked calm and collected, but the three passengers had a panicky look in their eyes and appeared to have been thru a stressful time. A cop stopped them and gave the driver a warning ticket for going too slowly for the speed of traffic. The driver said, "But officer, the sign right there says it's 20 miles per hour on this stretch of road." "No ma'am the officer replied, that sign says it's Highway 20....the speed limit is 55."

"Oh", the driver replied, "I'll be more careful in the future."

"By the way, ma'am, why do the other three ladies look so stressed out? Has there been a problem?"

"Well", the driver said, "I guess it's because we just turned off of Route 120. They'll be all right by the time we get to our meeting."
