Kathryn's Klips

Did you sew when we had snow? Bring the show and tell items for all of our guild sisters to enjoy, especially the finished "Brown bag challenge" gift!

This is our membership renewal month too. If you want to move that process along quickly you may consider printing the form from our website and be ready to verify your contact information at our meeting.

Spring is sprouting all over (at least in my yard) and I am still working on a snowman project from two years ago. I need some uninterrupted time to wrap up my UFOs. Do you? Consider a sew day or a weekend dedicated to sewing.

Would you take advantage of a day or a weekend to be with guild friends just to sew and enjoy meals together? We have a couple of local options where we could have a commuters retreat where we only set up once but have 2-3 days to dedicate to our favorite pastime!

Come March 10 to our next meeting to give your thoughts on our upcoming year.

See you Thursday March 10 at Harners Chapel.

Kathryn

Note: Due to bad weather last month, we will have Quilt Bingo at our July picnic. Apologies from Karen.

Guild Philosophy:

To encourage interest in quilting through learning and sharing.

To widen our circle of friends who share a common interest in quilting.

Projects, projects, projects...

Have you been working on your 2016 UFO Challenge projects? In January, Karen drew # 8, although we didn't meet in February, she drew #3. So at our next meeting she will draw an additional number. Are you checking these items off your list? Bring your finished UFO's for Show & Tell.

Have you begun working on your square for our quilt? Remember the fabric you received in the plastic box at the Christmas party? This 9 1/2" square will be used for our guild quilt.
